

Dear Sponsor,

We would love to partner with you and your company or family!

Page High School Track and Field will start their competitive season soon. With the support from companies like yours, we have been able to enhance our team in the past. As you know, our excellent schools are one of the main economic drivers for this community, for corporations, and for the housing market. In the face of tightening school budgets, we are challenged with funding our own teams.

That's where YOU come in. Our Track and Field team invites you to partner with us as a Corporate Sponsor to help launch our season and develop our running program here at Page High School. Our monetary goal for the 2025 school year is to raise **\$50,000**. Some items to be purchased include but are not limited to: pole vault pit mat, pole vaults, pole vault riser, high jump base, timer for all home meets, throwing net, & enhanced throwing area for both shot put and discus. This goal is in addition to the day-to-day operations of the team, which include entry fees to all meets, team t-shirts, end of year gifts/awards, and a portion of the seasonal uniform cost. It is our goal that our team and community feel the same PHS Pride in the upcoming 2025 season. We are happy to say our boys team won state in 2023, we had 10 athletes advancing to state in 2024 and everyone is looking ahead to a great season in 2025!

Will you consider partnering with us to help us grow our running program?

Sincerely,

PHS Track and Field Board
